

# American Renunciation

Lord we come today before you on behalf of ourselves, our families, ancestors, bloodlines, households, ministries, and River of Life Fellowship. We formally ask forgiveness, renounce, and repent of all Freemasonry and its influence in America. We renounce all freemasonry's branches, oaths, pacts with the devil, occult practices, evil ceremonies, and ungodly rituals. We renounce all its gods and idolatry.

We repent and renounce all Catholicism, its gods, its idols, prayers to the dead, prayers to Mary, occult practices, rosary, worship of the Pope, worship of the Eucharist and all its ungodly practices.

We repent for the mistreatment of the Native Americans, but utterly renounce all their witchcraft, shamanism, spirit worship, nature worship, occult medicine use, drug use, ungodly violence, all false god worship, all their gods, all their violence, and all their idols.

We ask forgiveness for and repent of all racism and slavery, ask forgiveness for all the lives this damaged, and all unnecessary bloodshed caused by it in this nation through the civil war.

We repent and renounce the gods of greed, materialism, mammon, decadence, and luxurious living in America.

We repent and renounce the gods of entertainment and entertainers.

We humbly ask forgiveness and repent of all the sexual sins and perversions in this nation including pornography, what has come out of Hollywood, homosexuality, and the ungodly acceptance of sexual sins in this nation.

We renounce Molech and repent of all child sacrifice with abortions. We repent of the innocent shedding of blood in this nation and all violence.

We renounce and repent of all occult practices, new age, satan worship, every idol that is worshipped, Buddhism, Hinduism, Islam, Hare Krishna, Scientology, Mormonism, Jehovah's Witness, every false god or idol worshipped in this nation. We renounce their

worship, altars, temples, all their gods, and all their evil practices. Forgive us for having a governmental structure that actually protects them and their worship. We renounce Baal and all worship to him.

We renounce every idol like the Washington Monument which is a phallic symbol, the Statue of Liberty which is a Freemason symbol, every Masonic symbol throughout the land on buildings or any other locations. We renounce all statuary that is idolatry or occult, every ungodly building or structure, and every satanic symbol we renounce and repent of that is throughout this land.

We humbly ask forgiveness for all corrupted justice and the high divorce rate or oppressing the weak, poor, or defenseless.

We repent of trusting in government, money, or military instead of the Lord.

We repent of the resentment of other nations or any abuse of power we have ever done.

Forgive us for the dishonesty in media, government, and leaders of the nation.

We ask forgiveness, repent, and renounce all these sins, rebellion, idolatry, and iniquity listed above and those not listed in America. Forgive us for not standing with Israel the way we should. Forgive us for the religious spirit in this nation, tolerating Jezebel and Ahab, the pride of this land, the ungodly fear and/or intimidation in America, and the sin and compromise in the body of Christ. Forgive us for the infighting, criticism, jealousy, competition, hypocrisy, and worldliness among your people. Forgive us for all the division among your people in this land.

Although we are patriotic and honor our veterans, we renounce any idolatry given toward the land or flag, since that worship belongs to the Lord. We believe you to separate us from the curses on this land because of all its evil right now in Jesus' name.

From this day forward separate us from all these things as we renounce them right now. We take authority right now and destroy any work of the enemy that has come on our lives or families because of these things, and command the enemy at work to leave our lives now in Jesus' name.

We thank you for your blood that cleanses and sets us free from all the enemies influence in our lives. Amen
