

# Paranormal Activity and Hauntings?

## **What does the Bible say about such matters?**

There is such an increase of spiritual activity in these end-times and Bible predicted this. Many that were staunch skeptics of the supernatural have now experienced weird things that have caused them to become believers in the paranormal. I felt to write this teaching to explain what is actually going on, how to deal with it, and give a true Biblical teaching on this subject. The reason for this writing is because of the fact that there is so much deception out there. I have watched some TV shows that have really grieved me. You see things that are extremely unbiblical, and even things the Bible strictly forbids as portrayed as innocent or accepted.

Before getting into this writing any further, first and foremost, make sure you are in covenant with God. To make sure you are God's child and on your way to heaven when you die go to this link: <http://fnirevival.com/LiveForever.php>

### **Poltergeist and apparitions: Are they real and what are they?**

The Bible clearly warns us the end-times (which we are living in now) to beware that no one deceives you (Matt 24). So we can conclude that there will be a lot of deception in the day we live in. With that said, we need to have strong prayer lives and know the word of God (Bible) for ourselves so we will not be deceived. The Bible is God's perfect word. Those that question that have not even researched this out. Don't you think God has the power to write a book and watch over it. If I can write a book and copyright and watch over it, how much more can God. Secondly, this was obviously confirmed with the dead sea scrolls discovered. So some of the rumors you have heard about God's word not being real or altered is a bunch of garbage.

1 Timothy 4:1 states "But the [Holy] Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons.

The Bible clearly teaches that when a person dies they enter eternity and either directly go to heaven or hell. If a person is right with Jesus, they will go directly to heaven escorted by angels. If a person is not right with Jesus, they will go directly to hell escorted by demons. There is no purgatory. That is something Catholics created out of their own imagination and is not in the Bible. When you die, you will not go scare teenagers in a cemetery or rattle chains in an old spooky house. You either go directly to heaven or hell based on if you accepted God's salvation which is only found in Christ. Many cults believe in reincarnation. You will not one day return as a fly, cat, cow, or another person. That is a figment of someone's overactive imagination probably after eating some funny weed plant they found. Reincarnation is not in the Bible. We know there are certainly apparitions and poltergeists appearing to people. This is becoming more and more frequent and aggressive. This has also caused people to put together Paranormal Investigative Teams to help rid houses of such things and has also sparked television shows. The Bible is very clear there is a spirit world beyond our physical five senses. In this world there exist angles and demons. Angels are created beings that God created. They are not human. Also, demons are evil angels that rebelled against God with Lucifer and serve satan's purposes in the earth. So the spirit world is inhabited by both good and evil angelic spirit beings all around us.

These apparitions appearing in many homes are nothing more than demonic manifestations. I know that some of them come across as being nice and harmless, but that is just a deception. The biggest deception is these demons appearing in the form of humans that have died previously. The reason for all this activity is to promote as much deception as possible. The scripture out of the Bible I just quoted above shows that demons will deceive people and cause them to fall away from the pure faith in Jesus. This is why they are appearing as humans. This causes those that do not know the Bible for themselves to be deceived into believing humans will not go to heaven or hell when they die, but rather will roam the earth. Then "doctrines of demons" begin to form in an attempt to explain these entities and activities. To be established in the faith, we have got to look to the Bible as the only source of truth. There are some out

there that attack the Bible and say it has been altered or isn't God's holy word. Let's clear it up right now that the Bible is the perfect word of God without error. So if you have apparitions appearing in your home, they are demonic in nature. Do God's holy angels appear to people? Yes they can. It is imperative that you make sure it is in fact an angel from God before you accept it as such. The Bible states that Satan comes as an "angel of light." He does this to deceive people. In this teaching on the paranormal, I am going to give you what the Bible states about apparitions and also teach you how to get rid of them. A home can be cleansed from all evil apparitions if it is done the right way. Even though I do not do Paranormal Investigation, I have had to cleanse homes many times. It is not hard at all if it is done the Biblical way.

## **Familiars**

Deuteronomy 18:9 "When you come into the land which the Lord your God gives you, you shall not learn to follow the abominable practices of these nations. <sup>10</sup>There shall not be found among you anyone who makes his son or daughter pass through the fire [human sacrifice or child sacrifice], or who uses divination [psychic or scrying], or is a soothsayer [observer of times, student of the zodiac, enchanter], or an augur [interpreter of omens or false prophet], or a sorcerer [witch], <sup>11</sup>Or a charmer, or a medium [channels spirits or consults with familiar spirits], or a wizard [practitioner of the dark arts], or a necromancer [talks to the dead holds séances]. <sup>12</sup>For all who do these things are an abomination to the Lord, and it is because of these abominable practices that the Lord your God is driving them out before you. <sup>13</sup>You shall be blameless [and absolutely true] to the Lord your God. <sup>14</sup>For these nations whom you shall dispossess listen to soothsayers and diviners. But as for you, the Lord your God has not allowed you to do so."

The Bible strongly condemns all these practices and states that those that practice these dark arts will one day be in the lake of fire which is Hell in Revelation 21:8. God states these dark occult practices are an abomination to him, which basically means he hates these practices.

In this list it states those that consult with familiar spirits. Familiar spirits are demons that are familiar with a person, family bloodline, or a place. People do things that open themselves to evil spirits through sinful practices. There are basically a few main ways that demons can enter someone's life.

1. Inheritance: ancestral curses by occult, idolatry, or sin in the bloodline
2. Personal sin: Occult practices, sex outside marriage, substance abuse, marking the body with tattoos, piercings, suicide, abortions, murder, etc...
3. Unforgiveness is a major doorway for evil spirits

If you want to do a study on this subject, you can read my books for free online on our books page, or you can listen to our teachings on the discipleship page.

Familiars could be at work in your life personally. Do you see things in your past or in your family that might cause you to believe there are familiars? Could the home you live in have familiars in it from previous owners or sins in that home? A home that has had witchcraft, murder, criminal activity, or sexual sins in it, will usually have demons in it that become familiar

with that home. These demons are familiar with the activity of that home and previous occupants. This can be cleansed and I will teach more on that as we go. The key is finding out if there is familiars and why are they there. From that point, then the gateway that was opened to let them in can be closed. That gateway is sin somewhere. Jesus calls these “gateways” “gates of Hell” and occultists refer to them as “portals.” Sins can be that of ancestors, personal sin, or sins of previous owners of a home. If you want to do a study for personal cleansing here is a link for a deliverance questionnaire to fill out:

### **Catholics and Psychics**

I want to say that I love Catholic people so much! I have met many that are precious people and also some that are loving Christians. BUT the Catholic church itself as an institution is just a cult. To many Catholics salvation is found through rituals and being right with the Catholic church. Biblical salvation can only be found in accepting the sacrifice that Christ paid for us on the cross when he took our sin their and died in our place. Picture standing before a judge in his robe and being guilty and the evidence clearly against you. Then a stranger comes in and goes to the electric chair for you, and because he died in your place you walk out a free man. That is what Jesus did on the cross. A church, organization, or a ritual can never save you. In fact, you can go to Hell with baptismal waters still on your face, a communion wafer in your mouth, and holding a hymnal in your hand. We have to be right with God through the sacrifice of Jesus to make it to heaven. The blood of Jesus has to wash you clean of your sins like a spiritual soap that cleanses you from all the filthy sin you have had in your life.

Second, I need to point out that I know that many of these psychics are the sweetest people and they do truly believe their gift is from God and they are doing good, but the truth is that their gift is clearly from satan and is demonic. If someone consults the dead, is scrying, or making psychic predictions, the Bible says this is done by familiar spirits. I love these people and Jesus died for their sin just like mine., but what they are doing by familiars is still evil in God’s sight, even though they think it is a “good thing” they are accomplishing in the end. White witchcraft may heal or help someone, it is still extremely evil in God’s sight because ALL witchcraft is evil. When someone is operating in any form of witchcraft, they are operating through a counterfeit to the Holy Spirit. There are only two sources of the supernatural. It is either from God or satan. So if it goes against the teachings of the Bible, it is a satanic counterfeit. The psychic is satan’s counterfeit to the true prophet of God.

The reason I am sharing all this is because you see all the time the Catholics and psychics working together to cleanse homes etc.... It is so sad. Most of the time it either doesn’t work or something worse comes up later. The Catholics are precious, but they really have very little authority with God. Some of the priests are born again and use the name of Jesus. If they are born again and use the name of Jesus, these demons will flee, but that doesn’t mean God is pleased with all the idolatry and ungodly practices of the Catholic church. Why not get a spirit

filled true Christian minister to come cleanse your home. If you will accept Christ and come in covenant with God, then have a true Christian minister bless your home, not only will it work, it will stay blessed. You hear these paranormal researchers say there are no guarantees and that things can always come back. Well with them, this is a true statement. BUT if you will do it God's way, it will work every time and remain.....guaranteed.

## **Angels and demons**

Hebrews 1:14 "Are not all angels ministering spirits (God's angels) sent to serve those who will inherit salvation (Christians)? 2 Corinthians 11:14 "And no wonder, for Satan himself masquerades as an angel of light (satan's demons pretend to be good angels, but they are evil)." Galatians 1:8 "But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let him be eternally condemned! (satan's evil angels try to deceive others)." 1 John 4:1 "Dear friends, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world. <sup>2</sup> This is how you can recognize the Spirit of God: Every spirit that acknowledges that Jesus Christ has come in the flesh is from God, <sup>3</sup> but every spirit that does not acknowledge Jesus is not from God. This is the spirit of the antichrist, which you have heard is coming and even now is already in the world (do not be deceived by evil spirits that pretend to be good)."

There are different hierarchy of angels in God's kingdom. God's angels are male, holy, and serve God and his purposes only. God's angels are worshippers of God, warriors for God, and servants for God's people. Now demonic spirits are fallen angels that serve satan and his purposes. There are three description of demonic spirits listed in the Bible. They are listed as foul, unclean, and evil. There are various theories of the origin of demons. I personally believe there is truth to all three theories, but I don't want to waste time going through all these theories. BUT I will list them here. First the most common theory is that demons are fallen angels. I believe this is true, and these fallen angels make up the higher more powerful and intelligent beings of satan's kingdom that hold the positions of World Rulers, Principalities, and Powers. The second theory is that the Nephilim of Genesis chapter six make up some demons. In Genesis chapter six fallen angels took human wives and procreated a race of beings that God destroyed in the flood. Some believe these hybrid beings that died in the flood make up some demons. In my opinion I believe these make up the smaller less intelligent demons that are cast out of people by Christians. The third theory is that before Adam there was a race of beings that join forces with satan. I believe this is also true, but probably this is just angelic beings. I am not going to say too much more about the various theories, but the point is that satan's demons are evil and seek the death and destruction of all human beings. Again let me emphasize that human beings go STRAIGHT to heaven or hell when they die and do not haunt houses or talk with the living. This is the work of demons that are impersonating human beings and causing great deception. This is why God has strictly forbidden trying to talk with the dead. If you try to talk with the dead, you will be talking to evil demonic spirits that will deceive you and lead you away from God and straight to Hell. Also, God is trying to protect people when he tells us to stay away from witches, psychics, fortune tellers, channelers, and those that talk with the

dead. The reason is because they are consulting with demons to get the information they do get. God is a good God and is trying to protect people from evil.

### **Spiritual hygiene: A historical look at your home (Leprosy in your Home)**

The spiritual hygiene of a home is of the utmost importance. When the children of Israel (descendants of Abraham, who was a descendant of Shem) were to take the land of Canaan from the Canaanites (a pagan culture that worshipped demons and were descendants of Ham), they were promised by God to be given homes they did not build, vineyards they did not plant, and wells they did not dig. This was a problem because, when the Israelites took the land under Joshua's leadership, they entered homes they did not build. In fact, the homes were built by pagan worshippers of demons through idolatry. So with that said, many pagan cultures will embed little demon-god idols into their walls or foundation of a house for protection, fertility, or luck.

### **Leviticus 14: Cleansing From Defiling Molds**

<sup>33</sup> The LORD said to Moses and Aaron, <sup>34</sup> "When you enter the land of Canaan, which I am giving you as your possession, and I put a spreading mold in a house in that land, <sup>35</sup> the owner of the house must go and tell the priest, 'I have seen something that looks like a defiling mold in my house.' <sup>36</sup> The priest is to order the house to be emptied before he goes in to examine the mold, so that nothing in the house will be pronounced unclean. After this the priest is to go in and inspect the house. <sup>37</sup> He is to examine the mold on the walls, and if it has greenish or reddish depressions that appear to be deeper than the surface of the wall, <sup>38</sup> the priest shall go out the doorway of the house and close it up for seven days. <sup>39</sup> On the seventh day the priest shall return to inspect the house. If the mold has spread on the walls, <sup>40</sup> he is to order that the contaminated stones be torn out and thrown into an unclean place outside the town. <sup>41</sup> He must have all the inside walls of the house scraped and the material that is scraped off dumped into an unclean place outside the town. <sup>42</sup> Then they are to take other stones to replace these and take new clay and plaster the house.

<sup>43</sup> "If the defiling mold reappears in the house after the stones have been torn out and the house scraped and plastered, <sup>44</sup> the priest is to go and examine it and, if the mold has spread in the house, it is a persistent defiling mold; the house is unclean. <sup>45</sup> It must be torn down—its stones, timbers and all the plaster—and taken out of the town to an unclean place.

<sup>46</sup> "Anyone who goes into the house while it is closed up will be unclean till evening. <sup>47</sup> Anyone who sleeps or eats in the house must wash their clothes.

<sup>48</sup> "But if the priest comes to examine it and the mold has not spread after the house has been plastered, he shall pronounce the house clean, because the defiling mold is gone. <sup>49</sup> To purify the house he is to take two birds and some cedar wood, scarlet yarn and hyssop. <sup>50</sup> He shall kill one of the birds over fresh water in a clay pot. <sup>51</sup> Then he is to take the cedar wood, the hyssop, the scarlet yarn and the live bird, dip them into the blood of the dead bird and the fresh water, and sprinkle the house seven times. <sup>52</sup> He shall purify the house with the bird's blood, the fresh water, the live bird, the cedar wood, the hyssop and the scarlet yarn. <sup>53</sup> Then he is to release the live bird in the open fields outside the town. In this way he will make atonement for the house, and it will be clean."

<sup>54</sup> These are the regulations for any defiling skin disease, for a sore, <sup>55</sup> for defiling molds in fabric or in a house, <sup>56</sup> and for a swelling, a rash or a shiny spot, <sup>57</sup> to determine when something is clean or unclean.”

God would actually put a spreading mold or (leprosy) on the walls of a home to expose and show that there was something in that house that was evil. This was God’s way of communicating with the occupants to help them cleanse the home. The same is actually true today. It may not appear as a literal mold or fungus in the home, but people find themselves experiencing some kind of strange paranormal activity, scary visions, foul odors, or frightening experiences. God is allowing the occupants to see that something is in their home that is evil. God loves us and does not want us sharing a home with demons. He wants us to have a peaceful home full of his presence. So if you are having strange experiences, this is a sign something dark and evil is there, but the good news is, this can be remedied.

Some people have felt cold places in the home, heard strange noises, seen something in the house, animals have been acting strange, children are reporting strange paranormal activity, or objects being destroyed or moved around a house. I know that these things can happen. Don’t fall for the deception that this is of human origin. Even if demons are piercing through the natural realm appearing as an old man or a young girl, it is a deceptive tactic to suck you into a weird occult belief system.

Some hauntings are connecting directly with a house that has had something happen in it like murder, suicide, rape, molestation, occult practices, or broken covenants. It may be connected to the land. For example it could have a history of murder, or an ancient Indian burial ground, or freemasonic property, or the land is somehow connected to a cult. Witchcraft, shedding innocent blood (including abortion which is murder in God’s eyes), sexual sins (any sex outside marriage), broken covenants (adulterous affairs), or violence (including strife) can affect the atmosphere of a location. Also, there is the possibility that a haunting oppression is connected to a family bloodline. Is there witchcraft, occult practices, worship of other gods, idolatry, violence, or other things listed above in your family ancestry? Some haunting are reported following a family around from house to house. What about your personal sin? Have you involved yourself in things listed above that could have allowed spirits into your life? If so, you can read by book to help get free from these things:

### **Renunciation prayer regarding yourself**

<http://fnirevival.com/Deliverance%20Page.php> On this link if you scroll down to downloads, there are several great renunciation prayers for all that apply to your life. Here is a general renunciation prayer you can pray out loud in the place you feel hauntings:

“Father I thank you for Jesus. He is my savior. I am so thankful. Because you forgave me, I choose to forgive others. Everyone who has hurt me, lied to me, or disappointed me I forgive them now. I repent of anger, bitterness, and hatred. I repent of rebellion, resentment, revenge, envy, jealousy, and strife. I repent of lust, witchcraft, idolatry, fear, doubt, and unbelief. I put all of this under the blood of Jesus. I denounce the sins of my ancestors. I separate and cut myself off from all generational curses. I renounce and confess as sin all unholy oaths, vows, pledges,

and ceremonies and separate myself from all those curses. I denounce and confess as sin all unholy soul ties. I ask you father to separate all sexual ties from my life that are not of you right now. For Jesus is my savior, my Lord, my deliverer, and my healer. Jesus has broken the power of curses I choose to be free and I will be free in Jesus name.

Lord Jesus because you want me to be totally free from all occult bondage, I will burn and/or destroy all objects in my possession that connect me with all lodges and occult organizations, including Masonry, witchcraft, Mormonism, all regalia, aprons, books of rituals, and rings and other jewelry. I renounce the effects of these or other objects of Masonry, including the compass and the square have had on my family and me in the name of Jesus Christ. I ask forgiveness for and renounce Jezebel and Ahab and all their influence in my life or ancestors. I renounce all the ungodly practices of the Catholic church.

### **Now command this out loud and take authority over the enemy:**

I renounce every evil spirit associated with Masonry and witchcraft and all other sins, and in the mighty name of Jesus Christ I bind every demon power that is in any way associated with me or at work in my life in any way. Whether in me, attached to me, or at work in my family, or any person or thing tied to me or under my authority. I call you under the authority of the living and resurrected Lord Jesus. You will not harm me or others, and you will not leave me to go to someone else. You will not multiply or pass your duties onto other demons. This satanic kingdom will be totally completely destroyed. Any damage, disorders, sickness, or diseases must be put back in order just as Jehovah God intends them to be. I command right now the demons to line up in order of rank. I remove all your crowns, robes of authority, rights and privileges and I cancel all your assignments against my life, family, body, soul, spirit, relationships, marriage, health, ministry, or finances. Your legal ground to me and my family is cancelled. Without hesitation I command you to take all your residue, satanic kingdom, your influence, oppression, bondages, addictions, compulsions, your works, and anything you have sown; and you are to go with it from me, my family, my bloodline, my descendants, my health, my finances, or any area or detail of my life. Now according to the will of Jehovah God, I command that you repair all damage you have caused my life, thus making restitution. Because the Bible teaches us you are a thief, and a thief has to restore sevenfold what they have stolen, I command you to restore sevenfold anything you have ever stolen from me, my family, or my ministry. Then you will go quickly and immediately into the Abyss where you belong. You will do this as quickly as it is possible to be done. I command all this now in the awesome name of Jesus.

### **Renunciation prayer regarding your home**

Also say this out loud in the home or on the land you are experiencing hauntings:

Father God, I come to you today in the name of Jesus and through his blood. I stand here on this land and in this home confessing all the sins, rebellion, idolatry, iniquity, witchcraft, occult practices, lust, sexual sins, drunkenness, hatred, ungodly anger, rage, violence, shedding blood, suicide, murder, any broken vows or covenants, and strife and fighting. I put all this under the blood of Jesus and command anything that is not holy and of Jesus Christ's kingdom to depart right now from this place in the name of Jesus.

### **Dedicating and cleansing land**

After you have made sure that you are right with God and look at the book to examine yourself and family ancestry, now it is time to cleanse the home and land. This is a compiled teaching of

years of study from various ministers including some amazing teaching on blessings by John Kilpatrick.

### **Cleansing, Blessing, dedicating home and land**

*God is interested in your home being a place of health, protection, and blessing! This section on cleansing, blessing, and dedicating property is intensely powerful. I have been so blessed to see such a revival and presence of God in my home. This will be an added level of protection to your dwelling place and help make it a dwelling place for God. This too can be copied and given to someone that needs to see a cleansing of their home. This may be new to some people, but I assure you that demons are fully aware of doorways into people's homes and they can tell if a home is cleansed and sealed off preventing them from entering it at all.*

### **Preparation: An ounce of preventions is worth a pound of cure**

First, remove anything that has to do with the occult, connected to a false god, pornographic (or has nudity or sex), has ungodly violence in it, or if it has foul language (profanity or using God's name in vain). This will require going room by room, through boxes, drawers, attics, basements, garages, and every area of the home. This may take some time. Sandy and I have had to help people cleanse their homes that have come out of hard core satanism. This is a full blown cleansing, and I think it covers everything.

Then you can proceed. Walk completely around property line praying and applying the blood of Jesus by faith. You can pour something out representing the blood of Jesus, or you can just simply use your faith to apply it. The blood of Jesus is applied by faith. Stop at corners and bury communion at each corner consecrating the land as God's property and you can drive a wooden stake (can write scriptures on it) with that communion at each corner by faith that the body and blood of our Lord is now in that land, it is set apart as holy unto God, and there are distinct lines of demarcation that you are laying down regarding your property lines and what the enemy is NOT ALLOWED to trespass on. Last, pour out some anointing oil on the land separating it and consecrating it to be used for God's service. Try to end up in the back yard last so there won't be distractions. Now you can speak this over your property.

### **Opening Prayer of dedication: Pray this out loud**

Lord, I now dedicate this land and home to you, Almighty God. May it be for the glory of God, our Father, from whom comes every good and perfect gift. We dedicate this land and home. To the honor of Jesus, his son, our Lord and Savior. May it be the praise of the Holy Spirit, the comforter, whose presence is welcome to Tabernacle here. To you, Holy Spirit, we also dedicate this property. Let your presence, glory, and power dwell here.

### **Blessing to speak: Lift a hand and speak this over your home and property**

May the Lord bless you home, land, and vehicles to be a sanctuary of rest, renewal, and refreshing. May you be a haven of God's perfect peace and the manifest atmosphere of heaven. The Lord grant you to be a place of unity, harmony, and submission to authority. May the sounds of joy and laughter be heard in you as people continually love and enjoy each other in you. The Lord bless you to be a place of unconditional love and acceptance of one another and warm loving affection, as people love and appreciate what they have in each other in you. The Lord bless you that there is a continual open heaven over you and continual showers of God's blessings and the outpouring of the Holy Spirit that takes place in you. As you are dedicated for God's service, may you be

fruitful for the kingdom of God a place where many are born again and disciplined in Christ. May you be a place where many are healed, delivered, the works of satan destroyed and replaced with the works of Christ. May many be baptized in the Holy Spirit in you and receive impartation from Jesus in you. May you be a place where the things of God are loved and honored and word of God honored and obeyed. May you be holy ground of praise, worship, prayer, and intercession that is in Spirit and truth, and may that which is evil be hated in you and kept from you. May you be a place of sweet rest and pleasant dreams. In this place shall the direction and God's will be learned and revealed. May dreams and visions from God, and the gifts of the Spirit be in you bringing direction, revelation, and truth. Here may the inhabitants of this home, and their relatives, and friends enjoy supernatural peace and safety from all acts of violence, including breakins, theft, fire, and storm. May they find sweet rest and sense the Lord's nearness.

### **Closing prayer for outdoors**

So Lord we have dedicated this dwelling to you and blessed it. We ask you to arise and enter into this house. Put your Holy Name in this place. Let your eyes be open toward it. Hear the supplication of this family. Establish the works of this family's hands. Let your angels envelope this dwelling with protection, peace, and bring the presence of God. Let this be a place that brings you glory. Let people's prayer lives and times in the word be rich and powerful in this place filled with the atmosphere of heaven and sweet fellowship of the Holy Spirit. We thank you for hearing and answering us now, in Jesus name, Amen.

### **Anointing and Blessing home interior**

Entrance of the Home: Place the blood of Jesus (fruit of the vine) on the front door posts and top of door posts, symbolizing the Blood of the Passover lamb, Jesus. Then speak this: I pronounce that the \_\_\_\_\_ family are overcomers by the Blood of the Lamb of God and the word of their testimony. I speak that this home will have a hedge of protection around it, no curse can rest on it, and that satanic forces will have to pass over it not bringing any harm to it or those in it, in Jesus' name.

#### **Anoint door posts of rooms:**

*KJV version of the Bible used here in this section*

May you have favor and be a joy to us. The Lord set you apart unto him as holy so nothing evil can touch you. I bless you in Jesus’ name.

### **Closing prayer**

So Lord we dedicate all we have unto you and ask you to set it apart as holy unto you and release your angels to watch over it and protect it. Position mighty warring angels on the corners of our property and around our beds at night. Let no evil come near us. Seal off our families and all we own in the protection of your blood. Thank you for hearing these prayers and blessings and honoring them. In Jesus name we pray, Amen.

Demons hate anointed powerful praise and worship. You can have worship music playing on your computer quietly in an office somewhere as well. God inhabits the praise of his people, and I keep worship going in my office all the time. There seems to be a welcoming of the presence of God because of worship music playing. You can download some anointed powerful worship from our website for free:

The enemy hates anointed worship passionately. You have legal right to do this at any home or apartment that you are buying or renting. Also, if you run a business or own other land (like a church) the leadership has a right to do this. It is better that the head of the home do this because of their authority if at all possible. Last, if you have permission to be staying in a room, you can anoint that room and pray over it, but as far as the home as a whole, there is only so much you can do because it is not your home. This has a lot to do with ownership of land and property by renting or buying. This will help many keep from being oppressed by the enemy at their homes.
