

# Honoring the Fathers

## 1. Rick Joyner's prophecy

2. So many fathers to honor: Oral Roberts, Jack Coe, John G. Lake, William Seymour, Evan Roberts, Frank Bartlemen, Charles Finney, John Wesley, Jonathan Edwards, Maria Etter, Kathryn Kuhlman, and into today: John Kilpatrick, Steve Hill, Rodney Howard-Brown, Benny Hinn, John Arnot, and too many others to name.

3. The "Latter-Rain" healing revival of the 40's and 50's began with William Branham, and then ended with A.A. Allen.

## 4. A few things about AA Allen.

- a. Most anointed and most persecuted
- b. Saw the greatest miracles
- c. Was persecuted with lies and conspiracies

## 5. The first sermon regarding William Branham

- a. His teachings were not as far off as what people say, but rather more misunderstood than anything
- b. The supernatural followed Branham: kid with tree whirlwind and the angel appeared to him, at the water baptism a voice from heaven speaking, the angels appearing to him on the mountain, the halo over his head, and many other supernatural events surrounded his life.
- c. The two signs he was given: to know the secrets of men's hearts, and healings
- d. Many ministries came out of Branham's: Oral Roberts and T.L. Osbourn were two that were mightily impacted and started out of Branham's ministry.

In 1946, Branham received what he came to call his "charge" from the recurrent audible voice. While baptizing converts in the Ohio River, he claims it happened. "And just then a whirl come from the heavens above, and here come that Light, shining down.... and It hung right over where I was at. A Voice spoke from there, and said, 'As John the Baptist was sent for the forerunner of the first coming of Christ, you've got a... **have a Message that will bring forth the forerunner of the Second Coming of Christ**'"

## **6. William Branham Prophecies and the rise of the Jezebel spirit**

Zech 5:5. Then the angel who was speaking to me came forward and said to me, "Look up and see what this is that is appearing." I asked, "What is it?" He replied, "It is a measuring basket", and he added, "This is the (level of) iniquity of the people throughout the land." Then the cover of lead was raised, and there in the basket sat a woman! He said, "This is wickedness," and he pushed her back into the basket and pushed the lead cover down over its mouth. Then I looked up-and there before me were two women, with the wind in their wings! They had wings like those of a stork, and they lifted up the basket between heaven and earth. Where are they taking the basket? I asked the angel who was speaking to me. He replied, "To the country of Babylon to build a house for it. When it is ready the basket will be set there in its place. 1Pet 3, Titus 2:3-5, Eph 5:22-6:4

- a. There are three major issues in this nation that are very serious, and we will have to do a tremendous amount of intercession in this nation to turn things around. The three things are: the breakdown of families, breakdown of morality, and confusion about truth.

William Branham saw these coming and prophesied about them, but because of the persecution, many did not really get prepared the way they should have. If people had really listened to him the way they should have, there may still be prayer in school today, abortion illegal, and the three things I mentioned could have been minimized.

## Some Prophecies

### The Seven Visions of 1933

#### Vision One:

He saw in a vision that the dictator of Italy, Benito Mussolini, would invade Ethiopia and according to the voice speaking to him, Ethiopia "would fall at his (Mussolini's) steps". However, the voice continued and prophesied a dread end of the dictator, for he would have a horrible death and his own people would literally spit on him.

#### Vision Two:

The next vision indicated America would be drawn into a world war against Germany which would be headed up by the Austrian, Adolph Hitler. The voice predicted that this terrible war would overthrow Hitler and he would come to a mysterious "end". In this vision he was shown the Siegfried line whereat a great toll of American lives would be exacted, but Hitler would be defeated.

It might be well to mention here that a subsequent vision relative to this war predicted that President Roosevelt would declare war against Germany and in so doing would eventually be elected for a fourth term.

PLEASE NOTE: For many years, the American government denied "the losses" suffered by the American forces at the Seigfried Line. It wasn't until sometime in the early 1960's that German films surfaced, forcing the Americans to admitt what really happened at that line. Off course, it's not the first time that governments attempted to cover up mistakes, failure and losses during a war. (Editor: The William Branham Home Page)

#### Vision Three:

The third part of the vision showed that though there were three ISMS, Fascism, Nazism, Communism in the world: that the first two would come to nothing but that Communism would flourish. The voice admonished him to keep his eyes on "Russia" concerning future involvements, for Fascism and Nazism would end up in Communism.

---

PLEASE NOTE: In 1933, The Voice admonished him to "Watch RUSSIA". It didn't say, 'Watch the Soviet Union', but rather "Russia". Since 1989, the Soviet Union is no more. (Editor: The William Branham Home Page).

---

#### Vision Four:

The fourth vision that appeared to him was one in which there was predicted to be tremendous technological advances right after the war. This was symbolized by an egg shaped car with a plastic bubble roof, going down beautiful highways completely under perfect remote control. There was no steering wheel in the car and the occupants of the car appeared to be playing a game like checkers.

---

PLEASE NOTE: This vehicle is already in existence, and has been for many years, waiting only the systems of highways that can accomodate such a mode of transportation. I have in my files pictures and scientific data concerning this vehicle. (Editor: The William Branham Home Page).

#### Vision Five:

The fifth scene that appeared involved the womanhood of the world. In this scene there appeared the fast moral decay of women. Starting back when she received her so-called liberty to enter into worldly affairs by means of the vote, she soon began to wear clothes that were too revealing. she bobbed her hair and adopted the clothing of men. Finally the vision showed her all but stripped naked and she merely covered herself with a tiny apron about the size and shape of a fig leaf. With her womanhood so little valued a terrible decay of all flesh came upon the earth and with it perversion even as set forth by the Word of God.

Added prophecies: And so, this... I... I won't have time in this meeting to tell you. In 1933, this is a woman's nation. It's the number thirteen. It appears in the thirteenth chapter of Revelation: thirteen stars, thirteen stripes, thirteen... Everything's a thirteen. Everything is a woman. And remember, THUS SAITH THE LORD there will be a woman rule before the end time. She'll either be President, Vice President, or it'll be the Catholic church as a woman. I've seen her: A great woman, the nation bowed to her. It'll be one before the end time. THUS SAITH THE LORD. Write it down and find out, you young people. See if it happens. If it isn't, I'm a false prophet. And I seen a woman lying, vulgar as she was, and dominated the country. And I predict that a woman will either be President, or do, or come into great power of some sort in the United States before the total annihilation of the world. Keep that in mind, and I have said it. Notice, now, what takes place? Jezebel, she ruled Ahab. And I said, "Remember, in that day, before the end time comes, before the end time comes, that a woman... , automobiles, just before the coming of the Lord, will be in the shape of an egg." Now, remember that; keep it in mind. See? That was in 1932, or something like that. And look how they're shaping down every year, right to it. We're nearer the end time; we are. But just remember this. I predict that a woman will be president before we're annihilated. That's right. I said that in 1933 by a vision. **"Sure, it's a woman's world. I predicted that women would keep demoralizing and the nation would keep falling, and they'd keep hanging to her like a mother till the woman becomes an idol."** And how that they would permit women to vote, and, in doing so, they would elect the wrong President. And in this would be a woman stand up that would govern the United States; not actually a woman, but a church. Then I seen her with nothing but ashes. It's going to happen.

125 Five of those things has perfectly been fulfilled exactly. How Mussolini would rise and go to Ethiopia, and fall at his steps; and he would be turned to the people, in shame, with a woman. Many, many years before it happened perfectly on the dot. And it's never failed, and it won't fail, because it's THUS SAITH THE LORD. And it's not contrary to these Bible. It's got to be.

#### Vision Six:

Then there arose in the United States a most beautiful woman clothed in splendor, and great power was given to her. She was lovely of feature but there was a hardness about her that defied description. Beautiful as she was, she was yet cruel, wicked and cunning. She dominated the land with her authority, she had complete power over the people. The vision indicated that either such a woman would literally arise or that this woman of the vision was merely a type of an organization which is scripturally characterized by a female. Though the voice did not speak out and reveal who she was, he felt in his heart that this woman represented the rising Roman Catholic Church.

Vision Seven:

The voice bade him look once more. As he turned and beheld, a great explosion rent the entire land, and left the land of America a smoldering, chaotic ruin. As far as the eye could see there was naught but craters, smoking piles of debris, and no humanity in sight. The vision then faded away.

**The Vision The "Bride" "Saying Line! Stay In Line! 1964  
Adapted From These Sermons:**

I remember that night (July 3rd. 1964), I was over here setting in the shopping center, right out from us here. I been in Pig Alley in France, and I've been in New York City, Los Angeles; but the filthiest bunch of women I ever seen in my life is Jeffersonville, Indiana. I never seen so much gaum and filth in my life as I see amongst them people. I set there till my heart ached, and the Lord had gave me a vision. I seen the preview of the Bride.

I stood there and seen a beautiful little lady just correctly dressed and things, marching this way. There was somebody standing by me in the vision. I didn't see the person. It was just a voice and they said, "The Preview of the Bride." I seen her go by. But each one of them, looked like, was dressed different. They all had long hair, and they wore longer sleeves and skirts and so forth, young women. They looked kind of, I'd say about, maybe, twenty. Oh, She was beautiful! I looked at her. They come on this side and went around. And as She passed by, he said, "That's the Bride. Now, we will review the churches."

Now, I have the Bible open here before me. See? I can only say what I seen. I'm looking at the Bible. I'm telling the truth;

Then He turned me to the right side, and He showed me each church as they've come up out of the ages. And oh, how vulgar! And the last one was this last day church age, which was led by a witch. And they were so immorally dressed, so filthy looking. And they were marching to the time of twist and rock 'n' roll. And those women throwing themselves just in twist, with holding just paper, gray, hypocritical. Gray is between a white and a black, which is a deceiving color. Gray is neither white or black. It's a deceiving color. And gray-looking paper, holding in front of them, with lace-like hula skirts, holding in front of them; and completely nude from their waist up. And was marching or twisting, and carrying on with that music, walking up. And He said, "That is the church!"

And I heard it coming up; the church was coming up from this other side. There come the Asian church. Oh, you talk about filth. Here coming the European church. Oh, my! And then I heard a rock n' roll coming; and it was Miss America, the church. And she didn't even have on any clothes. She had papers, like newspapers, gray, holding in front her, dancing by rock 'n' roll - Miss America the church.

And when it passed by me, my heart like to fainted. I thought, "If that's what is trying to be presented to Christ as a bride - Of all the efforts and things that man has put forth to try to bring forth a bride for Christ - and a vulgar, dirty, filthy-looking prostitute like that to be the bride of Christ." It made me sick at my heart!

And as she passed, coming before where we was standing, she was holding the paper in front of her, twisting, and rocking, and moving herself one side and then the other side as she went, like the modern dances they have of this day, using herself in an immoral act as she was marching on.

I'm not responsible for these things. I can only say what I seen! And God is my judge. But that was the church from U.S.A.

Now, I am an American, but this just made me sick. I am not eloquent enough to, in a mixed audience, to say what was taking place; You'll have to read between the lines. But when the women were coming, the leader of them was a witch. She had a great long nose and a great big mouth. And all of them was dressed with some kind of lower clothes down here, but the top just had a strap, about half inch strap that moved up and went around them like this. And each woman had something on the order... Many of you, years ago remember, when we used to cut that paper, you know, newspaper, to make an old fly-bush?

Why, I think you used it in carnivals, fringed paper, lace paper. Hanging down like that, They had something holding below them, like this, holding below them. All of this part was exposed. And each one had hair cut up real short, and frizzy-looking things all over it like that, real short cut hair, and full of make-up. Absolutely nothing but looked like street prostitutes. And they were walking with this paper. And the vulgarity! ...And there she went. And they were singing this here twist-and-roll songs, I said, "Is that the church?" In my heart I was crying. And this witch - To my notion it's nothing else in the world, but she's that World Council of Churches leading them right straight down the road where she was going. They went off to the left and disappeared in chaos, still beating this music and making real funny sounds, and shaking their bodies one side and then the other side, and then like that, carrying on like that, walking.

I stood there in His presence. I thought, "Oh, God, as a minister, if that's the best we could do, oh, oh!" You know how you feel. Then I thought, "God hide me; if I could just get away from here. If all that we've done, and that's what we have to produce..."

And I turned my head to weeping like that. I couldn't stand it there, Him standing there, me know that me a minister of the church and that's what I'd produced for Him. I said, "Oh, God, I can't look at it. Let me die. Let fade away."

And as soon as it went out - every time one of them would come, they'd go out to a certain place and drop off. And then I heard something like a Onward Christian Soldiers. And I looked, and here come that sainted bunch of little girls just exactly the way they was, all correctly dressed, their hair hanging way down on their back, smooth, clean, marching like this to the step of the Gospel. 'She was the Word'. And it looked like one out of every nation. I was looking at it as they passed by, and seen them pass by. Instead of going down, they started going up. And I noticed two or three of them getting out of line; I screamed, "Stay in line!" And the vision left me, and I was standing in this room screaming, "Stay in line!"
