

The two problems Jesus had with these religious people he cast into hell was that they: Did not know him, and they practiced lawlessness. In other words they had no *relationship* with Jesus and they *lived in sin*.

So I ask you, if you claim to be a Christian, what has Jesus been speaking to you lately? If you claim to be a Christian, are you living holy according to what the Bible calls holy? If not friend, you need to get right with God. The blood of Jesus is the only thing that can wash away your sin. Also, the Bible says we must forgive others before we can be forgiven. Forgiving others is a choice.

Many reading this know you need to get some things right with God.

Don't put things off! You are not promised tomorrow.

Get right with Jesus now.

If you want to get right with God now, here is a prayer that you can

pray: "Dear Jesus, I ask forgiveness for all my sins. I turn away from them and give my life to you. Please forgive me for all that I have done wrong. I ask you to deliver me from all the works of satan, so that I can be free to live a holy life for you. I ask you to fill and baptize me in your Spirit, so that I can be used for your service. Wash me in your blood, and let me be born again. In your name I pray, amen."

Now, if you said that prayer and meant it, you are forgiven. The next step is getting all the sin out of your life, and getting involved in an on-fire church that is in revival. You need to pursue getting water baptized as soon as possible. Also, get a Bible and begin to read it. You can start with the book of John. Last, begin to pray. Just talk to God as you would a loving father. If you need any more help in any way, please contact us. The contact information is listed below. God bless you.
