

Like you see in the picture on the front of this pamphlet God is looking for humility and repentance. Repentance means turning away from and forsaking sin. Now you may be thinking to yourself. "I am a good person." "God wouldn't send me to hell." Well, let's look at the Ten Commandments of God to see how good you are in the sight of God. Have you ever told a lie in your life? Have you ever stolen something? How about a white lie or stolen something small? Jesus said, If you look at someone with lust, you have already committed adultery in your heart with them. Have you done that? Jesus also said, if you hate someone, you have already murdered them in your heart. Have you ever hated someone? Have you ever used God's holy name in vain as a cuss word? That is blasphemy and very serious. Have you ever dishonored your parents or envied what someone else has? Have you ever had something in your life more important to you than God? That is an idol in your life. I could go on, but I think you get the picture.

If you and I were to go rob a bank, kill the tellers, and get caught on video doing it, how much mercy would a judge have on us? We could blame society, our parents, or even say "there are others doing it." Would the judge care? No. In the same way, we are guilty of sin before God who is the judge. We will die and stand before him guilty. What if we were in that courtroom after robbing the bank and a stranger came up to the judge and asked to pay our fine so that we could go free even though we are guilty? That would be amazing, wouldn't you agree? That is exactly what Jesus did 2000 years ago. God became a man and died to pay the debt of sin we have all committed before God. We are guilty and need God's forgiveness. So we can humble ourselves and ask forgiveness for our sin, or we can be prideful and end up in hell. The choice is ours. Someone reading this may think, "Well this loving God wouldn't send me to hell." If you are thinking that, you just broke the second of the Ten Commandments which says not to create a god. You used your imagination to create a god that would not send you to hell even though you refuse to turn away from sin and get right with Jesus. Jesus' price he paid at the cross is the only way God will accept us on judgment day.

There are maybe others out there that say, "I don't believe in Jesus." I say to you, **you have never met him!** When you meet him, you will believe! You can look at a building, or a house, and know there had to be an architect. You can also look at a painting and know there had to be a painter. In the same way, you can look at creation, and know there had to be a creator. You may be reading this and are a mystic, a Hindu, or into witchcraft. If you will be willing to turn from these things and turn to Jesus, God will forgive the sin in your life and give you a chance at eternal life in heaven. Others may be reading this and feel you have done too much to be forgiven. There is no such thing as doing too much to be forgiven. God will forgive you no matter what you have done, if you come to him. Maybe you're a homosexual, a prostitute, a junkie, an adulterer, a witch, or addicted to porn. Jesus can set you free from that sin and give you what you need to live a holy life, if you turn to him. Now I want to speak to those that call themselves "Christians." I have met many in the Bible belt that call themselves Christians, but are getting high, drunk, having sex outside of marriage, look at porn, have a foul mouth, or simply do things Jesus would never do. Let me assure you that you are not saved. Jesus calls you a hypocrite. You say one thing with your mouth, but you deny Christ with your life. Not only are you going to hell, but you are causing others to not want to accept Christ because they see a fake in front of them. If you turn from your sin, and become a true follower of Christ, you can be forgiven. Now I want to talk to those that are religious. Christianity is not a religion, but it is a relationship with God. Adam and Eve lost the relationship they had with God, and Jesus paid the price for that to be restored. You can go to hell with baptismal waters on your face, a communion wafer in your mouth, sitting in a church pew, and singing from a hymnal. Those things will not save you. Jesus said, in Matthew 7: 21. "Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven; but he who does the will of My Father who is in heaven. 22. "Many will say to Me on that day, 'Lord, Lord, did we not prophesy in Your name, and in Your name cast out demons, and in Your name perform many miracles?' 23. "And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness.'
