

New Blessing

I declare over you, you are the blessed of the Lord. The sword of the Lord is drawn against those that seek after your soul. The spear of the Lord is aimed against those Satan has sent to persecute you. No evil communication shall be successful against you because you are God's favored servant. No curses that are spoken against you, released towards you, or sent your way by the wicked or the religious will be successful against you ever. They will not light upon you but slide down to the ground, sterile, non-effective, and be utterly destroyed.

You are under authority. You are under the blood of Jesus, and you are under the whole armor of God and God's glory is your defense. Every weapon formed against you will misfire all the days of your life. I declare that you are God's darling (Psalm 35:17) and the apple of His eye. You are the favored of the Lord. A Joseph mantle is upon you. You are set apart for such a time as this. In the spirit world you walk with a coat of many colors. You have the wisdom to prevail and solve mysteries, the strength to persevere, and the mind to excel and succeed. Your mind will understand profound things, retain the knowledge God wants it to, and be brilliant.

I bless your:

- Blood to flow right!
- Immune system be incredibly strong
- Heart to beat right!
- Bones to be strong!
- Muscles to carry you where you need to go!
- Skin to insulate and seal you in health!
- Organs to function the way God intended when He put you in your mother's womb!
- Total health and strength of mind and body
- Youth to be renewed like the eagles'!

I bless you for length of days. You will live a blessed life with a crown of righteousness on your head, a garment of praise on you and above you, and a mantle across your shoulders to do what you are called to do. Angels are all around you keeping your steps and prospering your way. You have great stamina. A wall of fire is about you, your family, and all you own. A

canopy of fire is over you. The banner of the Lord is over your head like a personal rainbow.

I bless your life for perpetual encounters with God and perpetual fresh anointings. I bless your countenance to draw in from those encounters and your face to glow with God's glory. God's glory shall be seen upon you and it shall influence all who come in contact with you from this day forward. I bless you to be in the right place at the right time and to walk with a humble and right spirit before your fellow man and family.

You will walk right into your destiny and divine appointments every day. If there is catastrophe in the earth, you shall not be there when it happens. You shall be hidden in God's pavilion. If there is violence in the earth, you will not be there; the angels of God shall direct you away from the path of the violent. You will hear of it, but it will not come near to me. You are a secret place dweller, and no plague or calamity will come near you nor your dwelling. You are not under the circumstances, under the weather, or under fire. You are mounting up, and you have a broad wing span. You will rise above it all.

Your enemies will spread their nets for your feet, but you will see their pit and step around their trap. You shall escape; yet they shall fall into the very hole they prepared for you. You will have great wisdom that confounds your enemies and silences them. God is in the process of frustrating the tokens of liars against you. He is bringing great controversy to the camp of your enemies'. Confusion totally drowns those that would dare to tamper with God's purposes for your life. You do not just believe you are blessed; but you walk it out and live it with expectancy. You will demonstrate it. I decree it to be so. I speak that the mountains be brought down before you, your valleys be brought up, and the path of the Lord be made straight in your life. Your way is not hard nor your path difficult. For Christ's yoke for you is easy and his burden for you light.

You are alive by Yaweh's decree. You will stay alive and be active and productive. Your life will be full of good works so that when Yaweh decrees your time is up, you will not linger nor languish, but have treasures to lay at the Master's feet. Your life will be a life well lived!

God's blessings rest upon you this day and your seed. You are pleasing to the Lord and He enjoys your fellowship. You are well-favored and more than able to receive His abundant provision.

God's angels accompany you on your right hand and on your left. They shall guide you! God's goodness and mercy shall follow close behind you and be the guardians between you and your past. God has determined that you shall have good success because you move in faith and in strong courage. Your eyes shall see the salvation of the Lord. He shall keep you safely under His wings and pinions. I declare this day that you are protected and delivered from the evil of the day. You shall not stumble nor fall, for Holy Spirit has anointed your eyes with eye salve to see clearly and has given you ears of the spirit to hear precisely.

You will be wise in your generation. Your soul will rest in God's shalom. He has declared you to be strong and pleasing in His sight. You will eat the fruit of His promises in the land of the living and will enjoy long life and length of days because you have wholly trusted in the Lord your God. Your habitation shall be a place where you will rest in His love, find hope for tomorrow, and joy shall strengthen you as you rest upon your bed. He shall restore your soul and give you rest in the stillness and quietness of your home.

In your prayer chamber, the Holy Spirit shall birth a creative and powerful mind and give you sound ideas that will bring you promotion and great favor. He shall give you fresh anointings and bless your ministry with good results. The Lord is pleased with you and has placed His Name upon your forehead. Call upon Him and He will show you great and mighty things you know not of.

May all these blessings rest on you, your family, your bloodline, your household, your ministry, all your descendants, and all under your authority or watchcare from this day forward.

I bless you in Jesus' Name!
